

# Numatic INTERNATIONAL

## Apprenticeship Opportunities

**Numatic International Limited, the leading UK manufacturer of commercial cleaning equipment and the creator of the famous Henry vacuum cleaner, is looking to recruit people into the National Advanced Apprenticeship Scheme.**

Due to continued investment in products, people and plant, we want to strengthen our technical support teams and drive improvements forward by recruiting enthusiastic team members with a possibility of achieving a foundation degree level. In return you will have a challenging and rewarding role with a competitive salary, additional overtime, pension contributions and training opportunities to develop your skills in a constantly changing and growing business. Earn up to £250 per week in your first year while you learn (pay rises progressively) with your college fees, reference books and college travel all covered by Numatic International LTD.

**We require Apprentices this year in the following roles:**

- **Tool Room Apprentice**
- **Purchasing and Supply Chain**
- **Customer Engagement**
- **Warranty Warehouse**
- **Robotics and Automation Engineer**
- **Production Engineer**
- **Workshop Engineer**
- **Marketing and Design**
- **IT and Digital Services**
- **Fabrication**

### **Qualifications Required**

You should have (or expect to have) a minimum of 5 GCSEs, of which Maths and English are 6 or 7 in the new grading system with the other 3 subjects at least a Grade 4 or above. Experience & other qualifications will also be considered.

### **How to apply**

To apply for this opportunity send us your CV and covering letter explaining what interests you about working at Numatic, together with details of any hobbies, experience or interest that may help your application before the closing date of 29<sup>th</sup> April 2022

### **Send your application to**
