

## Customer Engagement Advisor V3 at Numatic International Ltd, Chard

Numatic International Ltd. is the UK's largest manufacturer of vacuum cleaners, floor machines, janitorial equipment and service trolleys. You never have to look far to find one of our products – be it the familiar face of Henry, or one of our many commercial and industrial machines – keeping all industries clean, right across the globe. We have been building vacuum cleaners since 1969, and although our designs may be built slightly differently now, there is one thing they all have in common... the same essential core values of Innovation, Quality, Reliability and Price..

As a Customer Engagement Advisor you will be responsible for delivering excellence in customer service to both internal and external customers and will be instrumental in interacting directly with new and existing customers via Phone, Email and Social Media. Working to provide a high-quality level of service to all customers the Customer Engagement Advisor will positively represent the Numatic International brand acting as the first line of contact.
