

Design Engineer – Consumer Electronics

DEPARTMENT: R & D

ABOUT THE ROLE:

Want to be part of an expanding Company as they move into new technologies?

Want to be part of a team who will provide you with a platform to develop your design engineer skills?

Numatic International delivers professional, practical, and reliable cleaning equipment, designed, engineered, and manufactured in the UK.

We are seeking experienced **Design Engineers/Product Designers** to join our expanding R&D team at our Somerset site.

With positions available in our new product and existing product teams, you will study, research, design and develop ideas for new products and the systems used to make them, or modify existing products to increase efficiency or performance. Our R&D team are fast paced, constantly updating, and working with new technologies to ensure our products offer the best solutions possible to our diverse customer base.

ABOUT YOU:

- At least 2 years' experience of designing concepts through to manufacture (electrical consumer goods)
- Electronic or mechanical qualification – Degree, HND or similar
- Excellent CAD modelling skills (SolidWorks or similar)
- Plastic injection moulding and/or sheet metalwork fabrication assembly experience beneficial
- Competency in producing engineering drawings and schemes
- Good hand model-making skills
- Creative, with good teamworking and strong communication skills
- Stress analysis, CAS desirable

ROLE RESPONSIBILITIES:

- To provide significant design and engineering input into all aspects of design work
- Create detailed innovative designs for new or existing products
- Produce 3D designs using CAD software
- Take part in the development of the R&D team and support continuous improvement.
- Ensure that attention to detail, rectification of design error, and cost control are considerations
- Collaborate with cross-functional teams to understand project requirements and objectives

BENEFITS:

- Health and wellbeing programmes
- Hybrid working option
- On site free parking
- Company events
- Sick pay
- Cycle to work scheme
- Employee discount

SALARY: £28,000 - £35,000 p.a DOE

How to apply: Please send your CV and Covering Letter to jobs@numatic.co.uk
