

# Health and Safety Apprenticeship

DEPARTMENT: Health and Safety

**Are you the face of our future? Apprentices are essential to our Company development – get paid to earn while you learn on your career journey.**

Home to the UK's Number 1 selling vacuum cleaner, at Numatic we have a strong and proud heritage. But it's not just about Henry, it may surprise you to know that we manufacture over 150 different products, with thousands of variations! From concept through to design, moulding through to assembly and testing, to sales and shipping worldwide, everything happens at our manufacturing site in Chard. We are one of the largest local employers, our business is booming with year-on-year growth.

## ABOUT THE ROLE:

Health and Safety is absolutely essential in all workplaces, and companies are now investing to ensure they are compliant with legislation and promoting a positive safety culture. Our Health and Safety Apprenticeship is the easiest way to start a new career in a exciting and diverse industry. The apprenticeship will give you all of the knowledge, practical experience, and official qualifications for you to start your career.

## WHAT'S IN IT FOR ME?

An opportunity to undertake a Level 3 qualification in an accredited subject related to your role, as well as day-to-day learning on the job, you will attend for 1 day a week at college.

Starting salary of £294 per week (increasing yearly upon completion of the apprenticeship) with college fees, including reference books and transport paid for.

We heavily invest in our apprentices with the intention of offering permanent employment following successful completion of your apprenticeship, this will give you opportunities to grow and develop your skills whilst ensuring you have exposure to a growing business who pride themselves on producing British made, sustainable products.

## WHAT ARE WE LOOKING FOR?

- You should have, or expect to have, a minimum of 5 GCSEs with English at Grade 4 or above (or equivalent).
- We are looking for someone who has high energy, is a self-starter and has a “can do” attitude. You will need to be determined, resilient and comfortable to challenge the norm.
- If you think you have what it takes to become a Health and Safety professional, we would love to hear from you!

**Closing Date: 29/04/2024**

**SALARY: Starting at £15,294 per annum**
