

Product Manager (s)

at Numatic International Ltd, Chard

The Opportunity

Exciting and challenging opportunities have arisen here at Numatic HQ, based in Chard, Somerset, home to the famous Henry vacuum cleaner.

But that's not all we are about with an ever-developing team, year on year growth and exciting growth plans, not to mention an array of new and sought-after home and commercial cleaning products - we are now seeking Product Managers, with specialisms in vacuums and / or floorcare.

The role

The role will involve managing a product portfolio and looking after the life cycle of a product from cradle to grave, guaranteeing maximum exposure, project management and planning and communication at every stage. Liaising with all business areas the Product Manager(s) will play a pivotal role in driving our product through to market.

About you

The successful applicant will have experience in a similar role within a relevant industry. Applicants from a cleaning, motors and or engineering background are particularly sought after and will be most desirable.

Salary Circa £30,000 - £60,000 dependent on experience

Job Type: Full-time

To apply please send your CV and covering letter to jobs@numatic.co.uk

Closing date: 09:00 on the 7th September 2020
