

Sales Data Insight Apprentice

DEPARTMENT: Sales Business Intelligence Team

Are you the face of our future? Apprentices are essential to our Company development – get paid to earn while you learn on your career journey.

Home to the UK's Number 1 selling vacuum cleaner, at Numatic we have a strong and proud heritage. But it's not just about Henry.

We are one of the largest local employers, our business is booming with year-on-year growth, and we are looking to recruit exceptional Early Professional talent into the national Advanced Apprenticeship Scheme.

It is our ambition to continue to support our company's phenomenal growth by using technology to drive competitive advantage, and this is dependent on us continuing to build the very best teams.

ABOUT THE ROLE:

This is an exciting opportunity for someone to join our Sales Business Intelligence Team as a Sales Data Insight Apprentice playing a pivotal role in our sales team. You'll learn how to collect, analyse, and interpret sales data to provide valuable insights that inform strategic decisions. Your work will directly impact our revenue growth and customer satisfaction.

WHAT'S IN IT FOR ME?

- An opportunity to gain a Data Analyst Level 4 Apprenticeship gaining practical skills in data analysis, visualization, and reporting.
- Training via four weekly remote learning sessions and workshops for your college syllabus, in parallel with our comprehensive training plan and on the job learning
- Starting salary of £457 per week (increasing yearly upon completion of the apprenticeship) with college fees, including reference books and transport paid for.
- We heavily invest in our apprentices with the intention of offering permanent employment following successful completion of your apprenticeship, this will give you opportunities to grow and develop your skills whilst ensuring you have exposure to a growing business who pride themselves on producing British made, sustainable products.

WHAT ARE WE LOOKING FOR?

- Minimum Entry Level 3 in Math's & English.
- 2 A Levels or any Level 3 qualification such as a BTEC Extended Diploma or 12 months of work experience in the last 24 months
- A strong interest in data analysis and sales.
- Excellent communication skills, attention to detail and problem-solving abilities.

Closing Date: 12/05/2024

How to apply: Please send your CV and Covering Letter to jobs@numatic.co.uk
