

Sales, Marketing & Design Apprenticeship

DEPARTMENT: Sales Product Management

Are you the face of our future? Apprentices are essential to our Company development – get paid to earn while you learn on your career journey.

Home to the UK's Number 1 selling vacuum cleaner, at Numatic we have a strong and proud heritage. But it's not just about Henry, it may surprise you to know that we manufacture over 150 different products, with thousands of variations! From concept through to design, moulding through to assembly and testing, to sales and shipping worldwide, everything happens at our manufacturing site in Chard. We are investing heavily into a new generation of products, making Numatic a fantastic place to start your career in Product Management.

ABOUT THE ROLE:

Our Product Management team are responsible for the management of our product portfolio. This specialist team of knowledgeable experts look after the life cycle of products from cradle to grave and play a pivotal role in driving our products successfully to market to optimise sales and strengthen our Company brand.

We are looking for a someone who is full of energy, a desire to learn and not afraid to get stuck into a wide range of tasks. As an Apprentice you will gain all round product management experience as this team interact closely with our sales, marketing, and design functions. You will have your own projects that you will be responsible to deliver on time and to the required standard alongside a wide range of supporting tasks that will help the wider product management team.

WHAT'S IN IT FOR ME?

- Level 3 qualification in an accredited subject related to your role, as well as day to day learning on the job, you will attend for 1 day a week at college.
- Starting salary of **£253** per week (increasing yearly upon completion of the apprenticeship) with college fees, including reference books and transport paid for.
- We heavily invest in our apprentices with the intention of offering permanent employment following successful completion of your apprenticeship, this will give you opportunities to grow and develop your skills whilst ensuring you have exposure to a growing business who pride themselves on producing British made, sustainable products.

WHAT ARE WE LOOKING FOR?

- An interest in product management
- You should have, or expect to have, a minimum of 5GCSEs with Maths and English at Grade 4 or above (or equivalent)
- Ideally you will have had some work experience (but this is not essential)

Closing Date: 23/06/2023

How to apply: Please send your CV and a Covering Letter to explain why you would like to apply for the role to jobs@numatic.co.uk
