

Solution Architect Graduate (IT&DS)

DEPARTMENT: Information Technology & Digital Services

Numatic International are pleased to announce the launch of our 2024 Graduate scheme. The application process is now open!

Are you keen to:

- Build your career within a growing organisation that is home to a beloved brand?
- Work in an agile and fast-moving environment delivering forward-thinking digital solutions in the UK & globally?

Do you enjoy:

- Using technology to solve challenges?
- Exploring latest trends and innovations with technology?
- Collaborating with others to innovate?
- Having a varied workday?

Are you:

- A good communicator?
- Positive and enthusiastic?
- A problem solver?
- Interested in how technology can improve customer and employee experiences?

We are looking for an enthusiastic, adaptable, and eager-to-learn graduate from a range of degree disciplines to join our Information Technology & Digital Services graduate programme as a Solution Architect. The scheme aims to provide the successful applicant with a solution architect grounding and an introduction into digital solution delivery. Our department serves our entire business – Marketing, Manufacturing, Distribution, R&D, Sales, Customer Service, Operations, Finance, HR; in the UK and for our global companies.

What does a Solution Architect do at Numatic?

- Work with the business to understand challenges and best fit solutions,
- Design robust, cost-effective solutions that improve both customers and employee experience,
- Provide guidance to other technical teams on best practices and recommendations, and
- Support the development of strategic vision, policies, and roadmaps.

This role will be based at our Head Office campus in the heart of Somerset, Chard, and you will undertake a tailored 2-year programme. Your time will be primarily focussed on growing your solution architecture skills, and will be also supported by:

- Short placements across the IT and Digital Services department so you gain visibility across the full IT delivery, and support lifecycle, and
- Short placements within key areas of the business so that you get an understanding of making, shipping and selling our products, and supporting our customers.

In addition to receiving first class training, we will also provide you with exposure to our senior leaders across the business, providing you with an opportunity to showcase your talents.

We embrace diversity, equity and inclusion and look to develop our people in the skills and areas they are most interested in, leveraging the qualities and unique competencies that each person brings to the company.

STARTING SALARY: £29,000 per annum

Closing Date: 12th April 2024

How to apply: Please send your CV and Covering Letter to jobs@numatic.co.uk
