

Studio / Marketing Apprentice

DEPARTMENT: NAME OF DEPARTMENT

Are you the face of our future? Apprentices are essential to our Company development – get paid to earn while you learn on your career journey.

Home to the UK's Number 1 selling vacuum cleaner, at Numatic we have a strong and proud heritage. But it's not just about Henry, it may surprise you to know that we manufacture over 150 different products, with thousands of variations! From concept through to design, moulding through to assembly and testing, to sales and shipping worldwide, everything happens at our manufacturing site in Chard.

We are one of the largest local employers, our business is booming with year-on-year growth.

We are pleased to once again be offering our Apprenticeship Scheme for 2024. We offer full guidance and support as well as accredited learning through the best training providers in the South West.

About the role

The Studio / media apprentice will be at the centre of producing video and photography content in a fast-moving studio and location environment. Duties will include pre-production in planning for shoots, assisting in production, (lighting, set dressing etc) and postproduction using latest editing systems and software. You'll be creating content that is key to promoting our business in the UK and internationally across Exhibition, e-commerce and social media platforms.

You will also have exposure to the wider media & marketing dept when required.

During the course of your apprenticeship, you will undertake a Level 3 qualification in Digital and Creative media as well as learn on the job, this will involve some College engagement.

What we are looking for:

- You must have an interest in media and marketing
- You must have English and Maths GCSE at level 4 (or equivalent) as a minimum as well as 3 other subjects at the same level or higher

What we offer:

- A competitive salary that increases each year as you complete the stages of your apprenticeship
- All costs covered for travelling to college
- Support and guidance from experienced members of the team
- The opportunity to grow and develop in an expanding international organisation.

Closing Date: 29/04/2024

SALARY: Starting at £15,294 per annum

How to apply: Please send your CV and Covering Letter to jobs@numatic.co.uk
