

Temporary Production Assembly Operatives

DEPARTMENT: Operations Team

Numatic International is a leading Somerset manufacturer of a range of domestic and professional cleaning equipment. Most people know us for the iconic Henry vacuum cleaner (over 15million made so far!). As well as a strong customer base in the UK we supply our products to over 80 countries worldwide.

We are looking to recruit additional Operatives to come and work on our Henry assembly line.

Are you enthusiastic and motivated with a positive can do attitude, eye for attention to detail, with manual dexterity? Are you keen to learn and enjoy a fast paced targeted working environment?

Ideally you will have had previous manufacturing experience, but the ability to work effectively in a team and be committed and reliable are far more important.

These roles are initially offered on a temporary basis.

Apply today for immediate consideration.
