

# Welder – Paint Plant

DEPARTMENT: Operations

Numatic International is proud to manufacture and deliver an extensive range of professional, practical, and reliable cleaning equipment, designed, engineered, and made right here at our site in Chard, Somerset.

Known widely for the iconic Henry and Hetty vacuum cleaner range, we have exciting growth and expansion plans for the future, so there has never been a better time to come and join our team and be part of our growth journey.

## ABOUT THE ROLE:

As a Welder will be responsible for operating appropriate equipment to put together mechanical structures or parts with a great deal of precision.

You will cut and join metals and other materials to produce equipment which is used in the production of Numatic products or produce parts for Numatic products.

## RESPONSIBILITIES:

- Use machinery, electricity, and torches to produce heat and solder together components made from steel, aluminium, and other materials for industrial welding.
- Working with a robotic welder – training will be provided.
- Assess equipment, structures, materials and job specifications for appropriate welding positions and methods.
- Assist with Paint Plant duties as and when required.
- Working within a workshop or factory environment, sometimes working in noisy, dusty, oily environments.

## ABOUT YOU:

- GCSE Grades 5 or above (or equivalent) or relevant knowledge through work experience.
- Desirable MIG and TIG qualification.
- Able to work on own initiative and be results driven.
- Robust attention to detail, ability to retain knowledge.
- Proactive and positive approach.
- Experience in welding, or willingness to be trained.

## HOURS:

Day Shift: Monday – Thursday 07.30-16.15      Friday – 07.30-12.30

**SALARY: £12.03 - £13.77**

**Closing Date: 02/05/2024**

How to apply: Please send your CV and Covering Letter to [jobs@numatic.co.uk](mailto:jobs@numatic.co.uk)
